Minutes

27-8-2016

The first meeting of the Research committee for the academic year 2016-17 was conducted on 27-8-2016 in the Principal's office at 11.00 A.M.

The committee has thanked our madam Principal, for her continuous support and encouragement given to the research work in the campus.

She has asked the members of the committee to identify various projects, funding agencies, guidelines to be followed etc and to share the same with the staff and students.

The recent NAAC visit was a wonderful experience which has given motivation to all the staff and students to go for publication in reputed journals, to apply for minor projects, major projects, necessity to attend the need based seminars, workshops etc to update their working knowledge.

The committee also decided to take necessary steps, so that, the proposed college journal 'DKHE Journal of Research' will be released before the end of March 2017.

Madam Principal has suggested the committee members to visit various web-sites particularly UGC web sites to find out the changes in the guidelines for research and to update the same to the staff members. The committee also requested madam Principal to shift the existing research room

to the proposed new Research Block' so as to have a better ambience which will elevate to the image of the institution. The committee also seek permission from the management and Principal to introduce 'Green HRM' concept in the college which will assure sustainable development in the college.

minutes

10-4-17

The second meeting of the Research Committee was conducted on 10-4-17 in the principal's office. The committee have thanked our madam principal for the steps taken by her to obtain ISSN number for our proposed journal to be released probably during the first week of July 17. Madam had also appreciated the committee members for their involvement in the above said activity and she made an appeal to the entire staff members to bring publications in various reputed journals. She had also mentioned in the meeting that, so many funding agencies are available and asked both the students and staff to apply for projects.

The committee also presented a report about 'research development activities' which has resulted in commendable increase in the percentage of research work in the college. The committee also presented a brief report about future plans for the next academic year.
